Gentlemen:

Please find enclosed a waiver for Doyle Hartman's proposed Olsen-Blinebry No. 2. Upon receipt of a waiver today that has been executed by HCW, this letter will constitute Doyle Hartman's waiver of any future opposition to any application that HCW may make for its Cowden "C" No. 9 Jalmat gas well pertaining to non-standard location and non-standard proration unit. If HCW is unwilling to furnish an executed waiver today for our proposed non-standard location, this letter does not represent a waiver from Doyle Hartman of any objection to any future applications by HCW for their Cowden "C" No. 9.

Very truly yours,

Doyle Hartman
