Gentlemen:

HCW Exploration, Inc. hereby requests your approval for a non-standard proration unit and unorthodox location for the above referenced well. The well is currently producing as a Jalmat gas well. HCW has simultaneously dedicated the N/2 of section 31 to the R.W. Cowden "C" #4 and R.W. Cowden "C" #9. If you have no objection, please indicate by signing below.

Very truly yours,

David T. Sites
Production Geologist
