Re: Case 8778  
DeNovo Application of John Yuronka  
for Salt Water Disposal  
Lea County, New Mexico

Dear Mr. Stamets:

Our firm represents John Yuronka in the referenced matter. We have received a copy of a letter dated March 27, 1986, from William F. Carr, attorney for Doyle Hartman, requesting that this case be continued to May, 1986, hearings.

Mr. Yuronka obtained Division Order R-8137, entered January 23, 1986, approving his use of the subject well as a disposal well. We were unaware that Mr. Hartman had requested a DeNovo hearing until we received a copy of the Commission Docket 12-86 last week. Mr. Yuronka has already commenced work on this well and it violates Mr. Yuronka's correlative rights to have this matter continued without reasonable explanation and justification.

Accordingly, Mr. Yuronka is opposed to a continuance and respectfully requests that this case be timely heard on April 9, 1986.

Very truly yours,

  
W. Thomas Kellahin
