Re: Application of Curtis J. Little  
for DeNovo Hearing of Case 9095;  
Application to abolish  
Ojito Gallup-Dakota Oil Pool

Dear Mr. LeMay:

The referenced application is set for hearing before the Oil Conservation Commission on October 15, 1987 on the same docket with the Division request to also abolish the Ojito Gallup Pool in Case 9228.

Our firm represents Sylvia Little and on her behalf request that Case 9095 be continued to the Commission hearing at the end of November. Mrs. Little supports the Division Case 9228 as advertised and wants to await the Commission's resolution of Case 9228 before either going forward with or dismissing her appeal.

Very truly yours,

W. Thomas Kellahin
