Re: Order R-8504
Sun Exploration & Production Company
Ingle Federal Comm. No. 1 Well

Dear Mr. LeMay:

On September 2, 1987, the Division entered an order in the above matter pooling the interests underlying the SW 1/4 of Section 22, T13S, R34E, NMPM, Lea County, New Mexico for the drilling and completion of a well in the undesignated Cerca Upper Pennsylvania Pool. Sun Exploration and Production Company was designed operator under that order. Sun is in the process of negotiating for the drilling of that well but it appears that the negotiations will not be completed prior to December 1, 1987, the day the order expires.

We would appreciate it if the Division would enter an order extending the effective date of Order R-8504 to ~~March~~ ^{APRIL} 1, 1988, a period of ~~120~~ ⁹⁰ days.

By copy of this letter, we are notifying Texaco, the non-consenting working interest owner, of this request.

Sincerely,

Karen Aubrey
