Dear Mr. LeMay:

This morning we received the Division's docket for March 2 and--lo and behold--the above-referenced case was not on it! Enclosed please find a copy of a letter dated February 9, 1988, wherein we requested a continuance of the case until March 2. Obviously, we cannot now proceed to hearing on March 2 without proper advertisement. Please reinstate the case--if it has not been dismissed--on the Division's docket for the next available hearing date. Should a dismissal have occurred, please advise us as to whether we need to file a new application.

Very truly yours,

Ernest L. Padilla

Re: Case No. 9306; Application of New Mexico and
Arizona Land Company; SW/4 of Section 25, T-25N,
R-3W, N.M.P.M., Rio Arriba County, New Mexico.

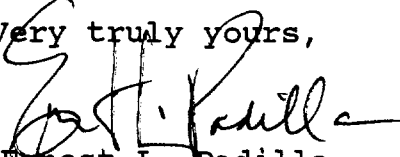

Dear Mr. Stogner:

This letter references our telephone conversation of yesterday where you indicated to me that, indeed, the above-referenced case had been inadvertently dismissed during the call of the docket at the hearing of February 17, 1988. Apparently, our request for voluntary dismissal in the contingent case No. 9305 was mistaken as a request to also dismiss the above-referenced case.

During our conversation, you indicated that it would be unnecessary for us to make a new application and that you would simply reinstate the case under the original case number. Further, the case will be reinstated on the March 30, 1988, docket of the Division in order to allow at least 20 days of notice prior to hearing.

Mr. Mike Stogner

By copy of this letter, we are, therefore, notifying the various parties involved of the new hearing date.

Very truly yours,

Ernest L. Padilla
