Case 9495

State of New Mexico  
Oil Conservation Division  
P.O. Box 2088  
Santa Fe, NM 87504-2088

Attn: Mr. William J. LeMay

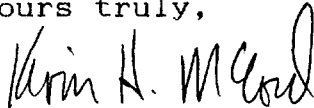

Gentlemen:

Please let this letter serve as written request to be placed on the docket for the next scheduled Examiner's Hearing to be held on October 12, 1988. This letter will serve as follow-up to our verbal request of September 19, 1988, in a telephone conversation with Florene Davidson of your office. We seek to establish Non-Standard Proration Units For Formations Requiring 160 Acres for the western tier of Sections 6, 7, 18, 19, 30, and 31 of Township 30 North, Range 3 West, Rio Arriba County, New Mexico, and Sections 6 and 7 of Township 29 North, Range 3 West, Rio Arriba County, New Mexico, as evidenced by the attached lease map.

Please find attached copies of contact letters mailed to the Offset Operators of Record requesting their waiver of objection to the aforementioned authorization request. Signed originals of these letters will be in our possession at the Examiner's Hearing.

Please contact us at the above telephone number if you have any questions, or there is a change of schedule.

Yours truly,

Kevin H. McCord  
Petroleum Engineer

Gentlemen:

A search of lease records indicate you to be an offset Operator to our Cabresto leases, as evidenced by the attached lease map. We are requesting the establishment of Non-Standard Proration Units For Formations Requiring 160 Acre Units from the State of New Mexico on the truncated sections of the western tier of the aforementioned leaseholdings which are indicated by the highlighted areas on the attached map.

Please acknowledge that you waive any objection to this request by signing on the space provided below, and returning the original copy of this letter to our office as soon as possible.

Yours truly,

Kevin H. McCord  
Petroleum Engineer
