Dear Joe:

Pursuant to our visit in Denver, enclosed please find the AFE which we discussed covering the captioned wells. If acceptable, please let me know at your earliest convenience.

Joe, as we discussed, I would like to operate the well coming up and would also like the opportunity to take over all of your operations in the New Mexico and West Texas areas. I would greatly appreciate a timely consideration on possibly working something out along these lines.

If you have any questions, please do not hesitate to call Terry or me at any time.

Sincerely yours,

George P. Mitchell, II
