MEMORANDUM

TO: All Parties Appearing Before OCD Examiners or the Commission

FROM: William J. LeMay, Director *WJL*

SUBJECT: Prehearing Statement to be Filed Prior to Hearing

DATE: April 30, 1990

In order to improve the management of hearing dockets before Oil Conservation Division examiners and the Oil Conservation Commission, parties appearing in any cases are hereby requested to file a **PREHEARING STATEMENT** substantially in the form attached to this memorandum **by 4:00 p.m. on the Friday before a scheduled hearing** beginning with the **Docket set for May 30, 1990**. The statements should be filed by the attorney who will be representing the party at the hearing. Two copies should be provided for examiner hearings and four copies for Commission hearings with an additional copy provided to the reporter on the day of the hearing. The statement must be served on any party who has entered an appearance pursuant to Rule 1208.

There are several benefits to be derived from the statements. First the examiner or Commission will be able to anticipate the approximate length of a case in order to schedule the court reporter and plan their own schedules. Hopefully it will also enable parties to better determine when they can expect their case to be heard. By identifying the issues and evidence in advance, the examiners and the parties will be better prepared for the hearings. Changes in witnesses and exhibits will normally be allowed.

Parties subject to this memorandum include applicants and any other party planning to appear either in opposition or support of an application. Applicants should include in the notice required under Division Rules a statement that a prehearing statement is required by any person planning to appear and that anyone wishing to receive other parties' prehearing statements or pleadings must file an entry of appearance.

If any party in a case fails to file a prehearing statement the examiner or the Commission reserves the right to make such adjustments to the docket as are appropriate in a given circumstance, such as moving the case to the end of the docket after all cases in which parties have filed their statements. Because this procedure is intended to improve the hearing process, it is hoped that the high level of support and cooperation normally shown in OCD and OCC proceedings will continue.
