HEARING EXAMINER: At this time we'll call Case 9962.

MR. STOVALL: Application of Stevens & Tull, Inc. for downhole commingling, Lea County, New Mexico.

MR. CARR: May it please the Examiner, my name is William F. Carr with the law firm Campbell & Black, P.A. of Santa Fe.

We presented the testimony in this case in June of this year. There have subsequently been discovered an error in the legal advertisement I believe in the Hobbs paper and the matter is on the docket simply to cure the error in the notice provided. We would ask request the case be taken under advisement based on the previous record and that an order be entered.

HEARING EXAMINER: Are there any additional statements or testimony or evidence at this time?

If not Case 9962 will be taken under advisement.

I do hereby certify that the foregoing is  
a complete record of the proceedings in  
the Examiner hearing of Case No. 9962  
heard by me on September 19 1980.  
David R. Catank, Examiner  
Oil Conservation Division
