Jasso Unit
Section 22, T-23-S, R-28-E
Eddy County, New Mexico

This letter is to advise you that Amoco Production Company's application to permit surface commingling of the production from the subject leases has been set for hearing before the New Mexico Oil Conservation Division as Case No. 10310.

The Brantley Gas Com Well No. 1 produces from the North Loving Morrow Gas Pool and the other named properties produce from the East Loving Delaware Pool

This application has been set for a hearing before a Division examiner on June 13, 1991, in Santa Fe, New Mexico. You are not required to attend this hearing, but in accordance with New Mexico Oil Conservation Division Rule 1207 as one who may be affected, we are sending you this notice so that you may appear at the hearing if you so desire. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Yours very truly,

James F. Trickett
Manager, Environmental Safety & Regulatory Affairs
