Re: Motion to Continue NMOCD Case 10766
Application of David H. Arrington
for NSL and NSPU, Eumont Gas Pool
Lea County, New Mexico

Dear Mr. LeMay:

Our firm represents Conoco, Inc. in opposition to the referenced application which was docketed for hearing on July 15, 1993.

On July 12, 1993, I filed a written entry of appearance in this case and advised Mr. Arrington's attorney, William F. Carr, of my appearance.

Mr. Arrington on his own motion continued this case to August 12, 1993 docket without first determining the availability of me or my witnesses.

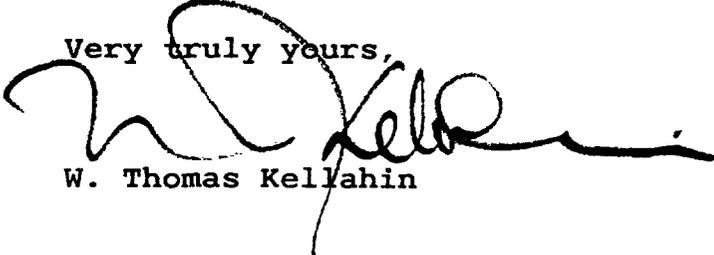

Mr. Jerry Hoover, a petroleum engineer with prorating experience in the Eumont Gas Pool, is scheduled as one of my witnesses and is not available on August 12, 1993 because of a previously scheduled company obligation he must fulfill and cannot change.

William J. LeMay
August 2, 1993

I have requested a continuance of this case from Mr. Carr until August 26, 1993 and he has refused.

Accordingly, we move that this case be continued to the Examiner's docket now set for August 26, 1993 due to the unavailability of a key witness.

Very truly yours,
