Gas Well Classification- NMOCD Case No. 8947.

Dear Mr. Stogner:

At the hearing on the above-referenced application held on July 23, 1986 we offered to supplement the record by tendering evidence reflecting that notice of the application was provided to the OCD district office, the transporter and all offset operators.

Enclosed, are the following:

1. A copy of a cover letter to Les Clements of the Artesia district office dated June 20, 1986. This cover letter along with a copy of the application was hand delivered to the Artesia district office on June 20, 1986.
2. A copy of a cover letter sent to Ray McClure of El Paso Natural Gas on June 20, 1986. This letter was sent to El Paso along with a copy of the application for Hardship Gas Classification.
3. A copy of the certified receipt from El Paso dated June 24, 1986.
4. A copy of a cover letter sent to each of the six offset operators on June 20, 1986. A copy of the application for Hardship Gas Classification was sent to each of the six offset operators along with this letter.
