MR. STOGNER: Call next Case  
Number 9061.

MR. TAYLOR: The application of  
ARCO Oil and Gas Company for an unorthodox oil well location  
and simultaneous dedication, Rio Arriba County, New Mexico.

MR. STOGNER: This case was  
originally heard and taken under advisement at the  
Examiner's hearing held on January 7th, 1987.

Due to an oversight, this case  
is being reopened and readvertised at this time, since the  
original advertisement and docket omitted one of the  
existing wells to be similtaneously dedicated in the  
proration unit.

At this time we'll call for  
any appearances or additional testimony.

There being none, this case  
will be taken under advisement.
