WORKING INTEREST OWNERS IN THE YOUNG DEEP UNIT

• • • • • • •

Re: Young Deep Unit #8 Well 660' FNL & 860' FEL Section 9, T-185, R-32E Lea County, New Mexico

Gentlemen:

Enclosed is a proposal to deepen the Young Deep Unit #8 well to approximately 9000', and extend the drainhole approximately 300-400' horizontally from the wellbore, bottoming in the Bone Spring Sand.

In order to accomplish this procedure, it will be necessary to appear at an Oil Conservation Division hearing. Among the evidence we will need to present is that all of the owners have been properly notified. In this regard, we are asking that each of you sign and return one copy of this letter to us so that we will have it in advance of the September 23rd hearing.

If you concur with this		
also sign and return your AFE that we can show evidence of Conservation Division.		
If you wish to discuss t please get in touch with us r	his proposal, or have ight away.	any questions,
	Very truly yours,	Div. Mgr.
