NOTICE OF PUBLICATION STATE OF NEW MEXICO OIL CONSERVATION COMMISSION

CASE 316:

Public Notice of Joint hearing of the New Mexico Oil Conservation Commission and the Texas Railroad Commission for the consideration of problems of proration methods in oil and gas pools embracing lands within the States of Texas and New Mexico, and for consideration of adoption of Rules and Regulations relating to the communitization of small lots along the boundary common to both states into appropriate drilling units, proration in pools common to Texas and New Mexico, and other matters.

STATE OF NEW MEXICO TO:

All persons having any right, title, interest or claim in the following case, and notice to the public.

Public notice is hereby given that a joint meeting of the New Mexico Oil Conservation Commission and the Texas Railroad Commission will be held in Santa Fe, New Mexico, at Mabry Hall (new Capitol office building) at 10 o'clock a. m. on the 28th day of September, 1951, for the purpose of considering proration methods in oil and gas pools embracing lands within the States of Texas and New Mexico, communitization of small lots, and all other matters within the purview of the two Commissions leading to the prevention of waste and protection of correlative rights, and for the purpose of issuing such Orders, Rules and Regulations with respect hereto, within the respective jurisdiction of either Commission, as the evidence presented may justify.

GIVEN under the seal of the Oil Conservation Commission of New Mexico at Santa Fe, New Mexico, on September 28, 1951.
