**CERTIFICATE OF APPROVAL BY COMMISSIONER OF PUBLIC LANDS, STATE OF NEW MEXICO  
OF UNIT AGREEMENT FOR DEVELOPMENT AND OPERATION OF SAN JUAN 30-6 UNIT AREA  
RIO ARRIBA COUNTY, NEW MEXICO**

---

There having been presented to the undersigned Commissioner of Public Lands in the State of New Mexico, for examination, the attached agreement for the Development and Operation of the San Juan 30-6 Unit Area, Rio Arriba County, New Mexico, in which El Paso Natural Gas Company is designated as Unit Operator and which has been executed by various parties owning and holding oil and gas leases embracing lands within the Unit Area, and upon examination of said agreement the Commissioner finds:

- (a) That such agreement will tend to promote the conservation of oil and gas and the better utilization of reservoir energy in said area;
- (b) That under the operations proposed the State will receive its fair share of the recoverable oil or gas in place under its lands in the area affected;
- (c) That the agreement is, in other respects, for the best interests of the State;
- (d) That the agreement provides for the unit operation of the area, for the allocation of production and the sharing of proceeds from a part of the area covered by the agreement on an acreage basis as specified in the agreement.

NOW, THEREFORE, by virtue of the authority conferred upon me by Chapter 88 of the Laws of the State of New Mexico, 1943, as amended by Chapter 162 of the Laws of the State of New Mexico, 1951, I, the undersigned Commissioner of Public Lands for the State of New Mexico, for the purpose of more properly conserving the oil and gas resources of the State, do hereby consent to and approve the said agreement and do hereby amend all leases embracing lands of the State of New Mexico committed to said unit agreement, to conform and extend said leases as provided in said agreement so that the provisions of each such lease, so far as they apply to lands within such area, will conform to the provisions of such agreement and so that the length of the secondary term as to lands within such area will be extended to coincide with the terms of such agreement. This approval is subject to all of the provisions of the aforesaid Chapter 88 of the Laws of the State of New Mexico, 1943, as amended by Chapter 162 of the Laws of the State of New Mexico, 1951.

IN WITNESS WHEREOF, this Certificate of Approval is executed, with seal affixed, this 17<sup>th</sup> day of March 1953.

In consideration of the execution of the Unit Agreement for the development and operation of the San Juan 30-6 Unit Area, Rio Arriba County, New Mexico, by El Paso Natural Gas Company, in form approved by the Secretary of the Interior and the Commissioner of Public Lands of the State of New Mexico, the undersigned owners of lands or interests in lands or royalties or other interests in production of oil, gas and other hydrocarbon substances which may be produced from the land affected by said Unit Agreement hereby severally, each to the extent of his or her particular ownership or interest, consent to the inclusion of said lands within the Unit Area therein defined, ratify, approve and adopt the terms of said Unit Agreement as being applicable to said several lands and interests, agree that the term of any lease or other agreement given by the undersigned in which the undersigned claims an interest is extended or modified to the extent necessary to make the same conform to the terms of said Unit Agreement, agree that the drilling and development requirements of all leases and other instruments in which their several rights and interests are created or defined shall be deemed fully performed by the performance of the provisions of said Unit Agreement, and agree that payment for unitized substances upon the basis of production allocated under said Unit Agreement to the particular lands to which their rights or interests apply, regardless of actual production therefrom, shall constitute full performance of any and all such obligations to the undersigned existing under such leases or other contracts. For the same consideration each of the undersigned warrants and agrees that the schedule attached as Exhibit "B" to said Unit Agreement correctly states his interest in the lands within the Unit Area as of the date of his execution of this consent.

The terms and provisions hereof shall extend to and be binding upon the heirs, personal representatives, successors and assigns of the undersigned and each of them.

IN WITNESS WHEREOF, the undersigned have caused this instrument to be executed and have set opposite their respective names the date of execution thereof.

RATIFICATION AND JOINDER OF UNIT AGREEMENT

In consideration of the execution of the Unit Agreement for the Development and Operation of the San Juan 30-6 Unit Area, Rio Arriba County, State of New Mexico

by El Paso Natural Gas Company, in form approved on behalf of the Secretary of the Interior, the undersigned owners of lands or leases, or interests therein or royalties presently held or which may arise under existing option agreements, or other interests in production covered by said Unit Agreement hereby severally, each to the extent of its particular ownership or interest, briefly described opposite its signature, consent to the inclusion of said lands within the Unit Area therein defined, approve and adopt the terms of said Unit Agreement and any modifications thereof approved by the Secretary of the Interior or his duly authorized representative as applicable to said several lands and interests, agree that the term of any lease given by the undersigned or under which the undersigned claims an interest herein is extended and modified to the extent necessary to make the same conform to the terms of said Unit Agreement, agree that the drilling, development and producing requirements of all leases and other contracts in which their several rights and interests are created or defined shall be deemed fully performed by performance of the provisions of said Unit Agreement, and agree that payment for or delivery of (whichever may be required under prior agreements) oil and gas duly made at contract rates applied to the production allocated under said Unit Agreement to the particular lands to which such rights or interests do or shall apply, regardless of actual production therefrom, shall constitute full performance of all such obligations to the undersigned existing under such leases or other contracts.

This Ratification and Joinder of Unit Agreement may be executed in any number of counterparts with the same force and effect as if all parties had signed the same document and shall be binding upon all those who execute a counterpart hereof, regardless of whether or not it is executed by all other parties owning or claiming an interest in the lands affected hereby, and when so executed shall be binding upon the undersigned, its assigns or successors in interest.

NO. Case 493

EL PASO NATURAL GAS COMPANY, a Delaware corporation, would show the Commission as follows:

1. That the Oil Conservation Commission of the State of New Mexico is authorized by an Act of Legislature of the State of New Mexico (Chapter 72, Laws of 1935 as amended) to approve the operation and development of lands lying within the State of New Mexico in accordance with a unit plan of development and operation;
2. That the unit area, approval of which is here sought, comprises the following land situated in Rio Arriba County, New Mexico, to wit:  

New Mexico Principal Meridian:

Township 30 North, Range 6 West  
Sections 7 through 36, all

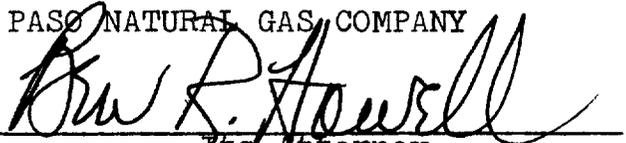

Township 30 North, Range 7 West  
Sections 11 through 15, all  
Section 22: E/2, E/2 W/2  
Sections 23 through 28, all  
Section 29: S/2  
Sections 30 through 36, all  
containing 30,845.18 acres, more or less;
3. That a preliminary approval of the proposed Unit Agreement, a copy of which is attached hereto and made a part of this application for all purposes, and approval of the unit area and of the drilling program contained therein, has been given by the United States Geological Survey of the United States Department of the Interior;
4. That Applicant is the owner and holder of a substantial portion of the working interest in and under the lands sought to be embraced by the proposed Unit Agreement and is the operator named in the Unit Agreement;
5. That the proposed unit plan will, in principle, tend to

promote the conservation of oil and gas and the prevention of waste.

Premises considered, Applicant requests that notice issue in compliance with the rules of the Commission and that this Petition be set down for hearing and approval at the convenience of the Commission.
