In RE: Willow Draw Unit
Eddy County, New Mexico

Dear Mr. Morrell:

The Commissioner of Public Lands has approved as of this date the Willow Draw Unit, Eddy County, New Mexico, subject to like approval by the United States Geological Survey

Our approval, as you are aware, was subject to Humble Oil & Refining Company's statement of performance. This we received with an original copy of the Agreement and a signed copy of the Unit Operating Agreement. We will require a fully conformed copy of this agreement upon approval by the United States Geological Survey.

We are handing eight (8) copies of our Certificate of Approval to Mr. John Cron, and we are enclosing official receipt number 21706 in the amount of \$30.00 which covers the filing fee.

Very truly yours,

GUYTON B. HAYS,
Commissioner of Public Lands

Re: Proposed Willow Draw Unit
Eddy County, New Mexico

Dear Mr. Morrell:

This is to confirm our telephone conversation in regard to the changes we have requested in the unit agreement form for the proposed Willow Draw Unit, Eddy County, New Mexico.

In addition to the changes which I mentioned I am enclosing an addition to Section 21 which we suggest you insert before the last paragraph of this section. We will approve this Willow Draw Unit agreement form as to form and content if the suggested changes are made. However, our approval as to form and content should not under any circumstances be considered as even tentative approval of the proposed Willow Draw Unit as to area or project.

Very truly yours,

GUYTON B. HAYS

Re: Area, initial test well and
form of unit agreement, Willow Draw
Unit, Eddy County, New Mexico
Thru: Regional Oil & Gas Supervisor
Roswell, New Mexico

Dear Sir:

Pursuant to the unit plan regulations of December 22, 1950, 30 C.F.R. 226.3 and 226.4, Foster Morrell of Roswell, New Mexico, herewith submits in triplicate application for designation of certain lands in T. 20 S., R. 26 E., Eddy County, New Mexico, as an area logically subject to development and operation under a unit agreement to be known as the Willow Draw Unit.

The Willow Draw Unit Area as proposed embraces a total of 3,839.84 acres of which 3,199.84 acres or 83.33% are Federal lands and 640.00 acres or 16.67% are State of New Mexico lands.

Attached to and made a part of this application is a geological report dated May, 1965, by R. C. Gallaway, consulting geologist, in support and justification of the unit area.

Also attached is a form of unit agreement proposed for the Willow Draw Unit. This form follows that approved for the Runyan Ranch Unit, No. 14-08-0001-8545.

The following Federal oil and gas leases are wholly or partly within the unit area:

- | | |
|------------|------------|
| NM 0275481 | NM 0468134 |
| NM 0468129 | NM 0513676 |
| NM 0467132 | NM 0554950 |
| NM 0468133 | |

It is proposed that the initial test well shall be drilled to test the Pennsylvanian formation or to a depth not in excess of 10,500 feet.

It is respectfully requested that you designate the unit area, and approve the form of unit agreement and initial drilling program as proposed herein.

Very truly yours,
Foster Morrell
