DOCKET MARKED

Date 12-23-70

BEFORE THE OIL CONSERVATION COMMISSION
OF THE STATE OF NEW MEXICO

IN THE MATTER OF THE APPLICATION
OF PUBCO PETROLEUM CORPORATION
FOR APPROVAL OF THE KEMNITZ LOWER
WOLFCAMP EAST UNIT, LEA COUNTY,
NEW MEXICO.

Case No. 4483

A P P L I C A T I O N

Pubco Petroleum Corporation requests approval of the Kemnitz Lower Wolfcamp East Unit, Lea County, New Mexico, and in support of the Application states.

1. The proposed unit area is comprised of the SW/4 and the W/2 SE/4 of Section 22, the E/2 NW/4 of Section 27, and the E/2 NE/4 of Section 28, all in Township 16 South, Range 34 East, N.M.P.M., Lea County, New Mexico.

2. Applicant, as unit operator, together with the owners of interest in the oil and gas and associated minerals within the unit area, deem it necessary and desirable to unitize said rights in and to the unitized formation as specified in the Unit Agreement in order to conduct a consolidated gas lift program, the same being a program contemplated and authorized by Section 7-11-39 of the New Mexico Statutes 1953 Annotated.

3. By the consolidation of the respective oil, gas and mineral rights within the unit area for the purpose of operation of the unit area, the production efficiency of the unitized area will result in the extension of the economic life of the unit area and will result in the protection of correlative rights, prevention of waste, both economic and physical, and will be in the best interests of conservation of natural resources.

WHEREFORE, Applicant requests that this matter be

set for hearing before an Examiner at the first Examiner Hearing in January of 1971, and that following such hearing the Commission issue its order approving and authorizing the formation and operation of the unit pursuant to the terms of the Unit Agreement.

Respectfully submitted,

PUBCO PETROLEUM CORPORATION
