Re: Grass Ridge Morrow Unit
Lee County, New Mexico

ATTENTION: Mr. G. W. Edwards

no. 4895

Gentlemen:

We are in receipt of two copies of the Plan of Operation-
Progress Report No. 9 for the Grass Ridge Morrow Unit, Lee County,
New Mexico.

Such report has been accepted by this office. We note that
you have changed the well names to include the word "Com". Since
this area has not been unitized and there is no communitization
agreements in effect, the word Com must be dropped, and we suggest
that you use the word "Unit" in your well names.

The New Mexico Oil Conservation Commission also concurs that you
can not use the word com in your well names at this time.

You are hereby advised to make this change effective February 1,
1978.

Very truly yours,

PHIL R. LUCERO
