Re: Burk Royalty Co.
Double L Queen Unit
Case 5415

Gentlemen:

The captioned case is set before you on Wednesday, March 19, 1975. We are currently encountering some difficulties between the Commissioner of Public Lands and the U.S.G.S. as to the unit area to be designated but we believe the problems have been or are currently being resolved but they will not be finalized by March 19.

Therefore, it would be appreciated if the Case can be passed to your mid-April docket.

Burk Royalty Co. is currently obtaining the necessary information to file an application for a pilot waterflood project and we hope to file this application in about ten days; if it is filed, then, of course, we would like to consolidate it with Case 5415 for one hearing in the April docket.

Your consideration to the above request is appreciated.

Respectfully,

JENNINGS, CHRISTY & COPPLE
