Enclosure

BEFORE THE  
OIL CONSERVATION COMMISSION OF NEW MEXICO

IN THE MATTER OF THE APPLICATION OF  
ANADARKO PRODUCTION COMPANY FOR AUTHORITY  
TO INSTALL AND OPERATE A WATERFLOOD  
PROJECT IN EDDY COUNTY, NEW MEXICO.

A P P L I C A T I O N

COMES NOW ANADARKO PRODUCTION COMPANY and applies to the Oil Conservation Commission of New Mexico for authority to install and operate a waterflood project on Anadarko's Loco Hills Federal "L" and "M" leases, Section 31, T17S, R30E, Eddy County, New Mexico, for conversion of one well to water injection, for approval of administrative procedures for the expansion or modification of said waterflood project and in support thereof would show:

1. Applicant seeks permission to institute a waterflood project to inject water into the Premier Sand in its Federal "L" #2 well located 2310 feet from the North line and 1210 feet from the West line of Section 31, T17S, R30E, N.M.P.M., through perforations 3002 feet to 3012 feet, the location of said well is shown on the attached plat.

2. The subject acreage was previously in a cooperative project which was waterflooding the Loco Hills sands some 400 feet above the Premier. This project is essentially inactive at this time and all injection in the Loco Hills sand will cease when the subject injection well is converted.

3. Injection will be through plastic lined tubing set on a packer.

4. That the proposed waterflood project will result in the recovery of otherwise unrecoverable oil, thereby preventing waste and the granting of this application will not impair the correlative rights of others.

5. Applicant further requests that administrative procedures be authorized whereby modification or expansion of the project including the drilling of additional injection wells and or producing wells, and the conversion of existing wells to injection at both orthodox and unorthodox locations may be approved without further notice and hearings.

WHEREFORE, applicant respectfully requests this matter be set for hearing before the Commission's duly appointed examiner and that after notice and hearing as required by law, the Commission enter its order approving the application as prayed for.

Respectfully submitted,

ANADARKO PRODUCTION COMPANY
