Re: Maralo Inc., - Jalmat  
Yates Unit; Statutory  
Unitization and Water  
Flood Project

Dear Joe:

Pursuant to our recent telephone conversation I am transmitting herewith triplicate executed counterparts of applications in connection with both the statutory unitizations sought by Maralo as to the Jalmat Yates Unit Area and the Water Flood Project. Please arrange to have these cases set on the docket for hearing the next time that the full Commission will be sitting. It is my understanding that most likely that hearing date will be September 14, 1978. However, I would appreciate confirmation of that date as soon as it is confirmed.

Also, enclosed with the applications for the statutory unitization on the Jalmat Yates Unit are copies of a plat of the area, attached to the applications.

If anything further is needed in order to properly place these matters on the docket for the next hearing before the full division, please let me know immediately.

Thank you.

Very truly yours,

HINKLE, COX, EATON,
