Gentlemen:

Your application of June 1, 1984, filed with the Bureau of Land Management, Roswell, New Mexico, requested the designation of the Eunice Monument South unit area, embracing 14,189.84 acres, more or less, as logically subject to operations under the unitization provision of the Mineral Leasing Act as amended.

Pursuant to unit plan regulations 43 CFR 3186, the land requested as outlined on your plat "Exhibit "A" Eunice Monument South Unit, Lea County, New Mexico" is hereby designated as a logical unit area for the purpose of conducting secondary recovery operations by waterflooding and will be limited to the following interval: The top of the Grayburg or - 100 feet, whichever is the higher, to the lower limits of the San Andres formation, as defined by section 2(h) of the unit agreement.

Your basis for allocation of unitized substances and your proposed form of unit are acceptable.

If conditions are such that further modification to the agreement is deemed necessary, three copies of the proposed modification with appropriate justifications must be submitted to this office through the District Manager, Bureau of Land Management for preliminary approval.

In the absence of any other type of land requiring special provisions or of any objection not now apparent, a duly executed agreement identical with said form will be approved, if submitted in approvable status within a reasonable period of time.

EXHIBIT NO. 10  
Case No. 8397  
November 7, 1984

However notice is given that the right is reserved to deny approval of any executed agreement submitted which, in our opinion, does not have the full committment of sufficient lands to afford effective control of operations in the unit area.

When the executed agreement is transmitted to the District Manager, Roswell, New Mexico, for approval, include the latest status of all acreage. In preparation of Exhibits "A" and "B", follow closely the format of the sample exhibits attached to the standard form of unit agreements for unproved areas.

Sincerely yours,

  
acting District Manager
