STATEMENT OF CASE

APPLICANT

ARCO Oil and Gas Company, Applicant, in the above-styled cause, seeks an order unitizing, for the purpose of establishing a secondary recovery project, all minerals interests in the proposed Justis-Blinebry-Tubb-Drinkard Pool, underlying 5360 acres, more or less, of State, Federal and Fee lands comprising portions of Townships 25 and 26 South, Ranges 37 and 38 East. Said unit is to be designated the South Justis Unit Area. Among the matters to be considered at the hearing will be the necessity of unit operations; the designation of a unit operator; the determination of horizontal and vertical limits of the Unit Area; the determination of the fair, reasonable and equitable allocation of production and costs of production, including capital investment, to each of the various tracts in the Unit Area; the determination of credits and charges to be made among the various owners in the Unit Area for their investment in wells and equipment; and such other matters as may be necessary and appropriate for carrying on efficient unit operations; including but not necessarily limited to, unit voting procedures, selection, removal or substitution of unit operator, and time of commencement and termination of unit operations. Applicant also requests that any such order issued in this case include a provision for carrying any non-consenting working interest owner within the Unit Area upon such terms and conditions to be determined by the Division as just and reasonable.
