Eunice Monument South Unit  
Lea County, New Mexico

Gentlemen:

The enclosed exhibits A, B, C, and C-1 represent the current unit ownership based upon information you have supplied to Chevron. Exhibits A and B were recently mailed, along with the attached notice, to all owners in the Eunice Monument South Unit (EMSU). Exhibit C is based upon the current working interest ownership information of exhibit B as to the existing EMSU only. It is new information and is included for your review. Exhibit C-1 is the working interest ownership information for the expansion area and is also enclosed for your review.

If changes are required in the reporting of working interest ownership, as reflected in exhibits A, B, C, or C-1, please contact me. Please note that the "notice letter" requests any royalty or overriding royalty owner who desires to correct any interest shown on Exhibit B to contact the company dispersing the royalty or overriding royalty payment. If these owners do provide such information to you prior to August 15, 1990, we will reflect changes you authorize on our final Exhibit B prior to our scheduled August 22, 1990 OCD hearing if we receive timely corrections or updates.

Thank each of you for your assistance in promptly sending us the information necessary to construct the attached exhibits showing current ownership within the unit and unit expansion areas. If you have any questions, please call or write me.

Very truly yours,

R. M. Vaden  
Land Representative
