Re: Application of Petrus Oil Company for an Unorthodox
Well Location, Eddy County, New Mexico.

Dear Sirs:

- This letter is to advise you that Petrus Oil Company has filed an application with the New Mexico Oil Conservation Division seeking approval of an unorthodox well location for a well to be drilled at a location 330 feet from the South line and 1750 feet from the West line of Section 14, Township 16 South, Range 30 East, N.M.P.M., Eddy County, New Mexico. This well will be drilled in the Atoka-Morrow formation, and the W/2 of said Section 14 will be dedicated to the well.

This application has been set for hearing before a Division Examiner on October 21, 1987. You are not required to attend this hearing, but as an offsetting interest owner, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging this application at a later date.

Very truly yours,

J. SCOTT HALL
