Dear Mr. Stogner:

Mr. Alan Alexander of Burlington Resources Oil and Gas Company has advised me that they desire to postpone this case until late this summer. I have recommended that instead of continuing this case for such a long period, that we would dismiss it without prejudice and then refile it this summer when Burlington is ready to proceed.

Therefore I would appreciate you **dismissing** the referenced case currently scheduled for hearing on the March 19, 1998 Examiner's docket.

Very truly yours,

W. Thomas Kellahin
