RE: Termination of North Chaves Unit  
Chaves County, New Mexico

Gentlemen:

On April 14, 1988, Yates Petroleum was granted a six month extension of time (until October 7, 1988) in which to drill a second well in the North Chaves Unit. The extra time was requested in order for Yates Petroleum Corporation to further evaluate the Unit Area.

Because the second well was never drilled in the Unit Area, the terms of the unit agreement were not met. This office hereby terminates the North Chaves Unit effective October 7, 1988. This Unit was terminated by the BLM with the same effective date.

If you have any questions, please do not hesitate to call on us.

Very truly yours,

W.R. HUMPHRIES
