RE: 2018 Plan of Development  
BLANCO WASH UNIT  
San Juan County, NM

Dear Ms. Binion and Ms. Gross:

Your submitted 2018 Plan of Development for the Blanco Wash Unit is not approved.

Our records reflect the following:

- The NM State Land Office approved the Blanco Wash Unit Agreement on June 13, 2017, and the BLM approved the Agreement on May 31, 2017.
- The effective date of the Unit Agreement was August 20, 2012.
- This is an undivided unit with an existing well, the Escrito I24-2409 #01H, as the obligation well. This well was determined to be producing in paying quantities on July 5, 2017, with an effective date of October 12, 2012.
- Production from this unit currently consists of 3 horizontal wells, all spud between 2012 and 2014.
- Of the approximately 13,130 acres in the unit, less than 640 acres have been developed.
- The submitted 2018 Plan of Development does not indicate that further development is being pursued.

We will consult with the BLM about possible actions that may be taken with regard to the Blanco Wash Unit.

If you have any questions or if we may be of assistance, please contact Units Manager Marilyn Gruebel at 505.827.5791 or [mgruebel@slo.state.nm.us](mailto:mgruebel@slo.state.nm.us).

Respectfully,

AUBREY DUNN
