RE: 2018 Plan of Development
CORRALES CANYON UNIT
Sandoval County, NM

Dear Ms. Binion and Ms. Gross:

Your submitted 2018 Plan of Development for the Corrales Canyon Unit is not approved.

Our records reflect the following:

- The NM State Land Office approved the Corrales Canyon Unit Agreement on January 19, 2017, and the BLM approved the Agreement on December 19, 2016.
- The effective date of the Unit Agreement was April 1, 2014.
- This is an undivided unit with an existing well, the Lybrook P24 2206 #01H (renamed to Corrales Canyon Unit #101H), as the obligation well. This well was determined to be producing in paying quantities on January 11, 2017, with an effective date of May 12, 2014.
- Production from this unit currently consists of one well, the obligation well for the unit.
- Of the 2,560 acres in the unit, approximately 160 acres have been developed.
- The submitted 2018 Plan of Development does not indicate that further development is being pursued.

We will consult with the BLM about possible actions that may be taken with regard to the Corrales Canyon Unit.

If you have questions or if we may be of assistance, please contact Units Manager Marilyn Gruebel at 505.827.5791 or mgruebel@slo.state.nm.us.

Respectfully,

AUBREY DUNN
