Dear Jim Griswold:

R360 Permian Basin, LLC (Halfway) will conduct an Injection Survey for Halfway SWD #1. Administrative order SWD-1529 dated March 2, 2015, requires that within two years after commencing disposal, the operator shall conduct an injection survey. Halfway SWD commenced injection on 1/6/2016, R360 is aware that the injection survey will not be within the two-year period requirement. R360 respectfully request a 60-day extension to complete the required Injection well Survey. You may contact me at (956) 458-0515 or by email at [StephanieG@r360es.com](mailto:StephanieG@r360es.com).

Sincerely,

Phillip,

The survey was completed. I received the well report Friday of last week.  
We will send the completed C-103 with the report this week via email and a hard copy to the district and Santa Fe.

Let me know if you have any questions.

Thanks,

Stephanie:

Just following up on the NOI for the injection survey: did R360 get the survey completed? Any information would be appreciated. Thanks. PRG
