Marion B. Edmonds, Operator.

Dear Mr. Kapteina:

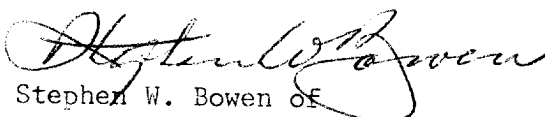

There is being transmitted herewith completed Form C-103, in triplicate, report of transfer of ownership and operation of the above designated well.

We understand that Commission approval of this transfer and release of Mr. Edmonds on his bond may not be had pending compliance with the requirements of the Commission's Rule 101 (b) (1 & 2). Accordingly, we will secure from Mr. Edmonds proper form of notification to the Commission. Upon receipt of the same we will secure Mr. Talley's acceptance and forward it to you together with Mr. Talley's required bond.

In connection with the bond, Mr. Talley desires to request Commission approval to submit a blanket bond in the amount of \$10,000.00 covering the several wells which he proposes to drill in the area. Please, therefore, furnish us with the form of blanket bond required.

Thank you for your cooperation and assistance in this matter.

Yours very truly,
