Re: William Sedberry Well No. 1  
Unit B, Section 25, Township  
17 <sup>South</sup> South, Range 16 East, San  
Miguel County, New Mexico.

Gentlemen:

Reference is made to your letter of April 8, 1960 requesting the temporary abandonment status of the subject well be extended. Because of the elapsed time since the well was started the time requested cannot be granted, but since it is expected that you will begin further exploratory drilling on or before June 1, 1960 some extension of time can be granted.

The temporary abandonment status of the William Sedberry Well No. 1 is extended to September 1, 1960 or until completion of your second well, whichever date comes first. At such time work will be resumed on the Sedberry #1 or plans made for plugging of the well.

Very truly yours,

J. E. KAPTEINA  
Engineer
