Re: Shaw Well No. 1
M-18-T4N-R8E, NMPM,
Torrance County, New Mexico

Gentlemen:

The files of this agency contain copies of only the approved application for a permit to drill, together with required supplements, but no subsequent reports. Since you have conducted certain operations at the subject location, reports of same should be filed in accordance with State Regulations. A copy of some pertinent requirements are attached for your consideration.

Yours truly,

CARL ULVOG, Senior Geologist
District IV Supervisor

CU/og
