Re: \$7,500 One-Well Plugging Bond

Sec. 18, T-5-N, R-11-E,
Torrance County, Depth, 1,400 ft.
Bond No. 4166123

Gentlemen:

The Oil Conservation Division hereby approves the above-captioned one-well plugging bond effective March 18, 1982.

Because of the great amount of infill drilling in the State, the Oil Conservation Division now requires that all one-well bonds give the exact location of the well; example: 660 feet from the North line and 990 feet from the East line. Therefore, please have your insurance company issue a rider to this bond with the well description.

Sincerely,

JOE D. RAMEY,
Director
