Subject: RE: Authorization to Move Produced Water - Crain Hot Oil Service, LLC

Leonard,

We need to terminate the existing Authorization (C-149) on file for Crain Hot Oil Service, Inc. That entity will no longer be operating and has reorganized its corporate structure into an LLC. The new entity, Crain Hot Oil Service, LLC, has reapplied with a new application which was sent via email to you yesterday.

Please do not hesitate to contact me if you need any additional information.

Thanks,

Ryann Lamb

Todd Crain,

Do you intend to continue operating under the previous name CRAIN HOT OIL SERVICES INC? Which currently has an Approved C-133 (C-149) see attachment.

If not, then you need to submit to the OCD a letter (an e-mail will suffice) stating the terminating of C-149 CRAIN HOT OIL SERVICES INC and that you have reapplied with a new application with the new company name.

OCD will issue you a new C-133 with a new C-XXX number.
