**RE: Project Notification
Groundwater Investigation
Enterprise Field Services Lateral K-7 September 2012 Release
NE¼ NW¼, Section 27, T26N, R7W, San Juan County, New Mexico**

Dear Mr. von Gonten:

This letter serves as project notification that Animas Environmental Services, LLC (AES) has scheduled the groundwater investigation at the above referenced site. Site activities have been scheduled for the week of September 9, 2013, and will include the installation of five 1-inch diameter monitor wells. Well development groundwater sampling activities will be conducted the following week.

If you have any questions regarding the scheduled site work, please do not hesitate to contact me at (505) 564-2281.

Sincerely,

Heather M. Woods, P.G.
Project Manager

**RE: Revised Project Notification
Groundwater Investigation
Enterprise Field Services Lateral K-7 September 2012 Release
NE¼ NW¼, Section 27, T26N, R7W, San Juan County, New Mexico**

Dear Mr. von Gonten:

This letter serves as project notification that Animas Environmental Services, LLC (AES) has rescheduled the groundwater investigation at the above referenced site due to access issues caused by rain. Site activities have been rescheduled for the week of September 16, 2013, and will include the installation of five 1-inch diameter monitor wells. Well development groundwater sampling activities will be conducted the following week.

If you have any questions regarding the scheduled site work, please do not hesitate to contact me at (505) 564-2281.

Sincerely,

Heather M. Woods, P.G.

**RE: Project Notification
Development and Sampling of Monitor Wells
Enterprise Field Services Lateral K-7 September 2012 Release
NE¼ NW¼, Section 27, T26N, R7W, San Juan County, New Mexico**

Dear Mr. von Gonten:

This letter serves as project notification that Animas Environmental Services, LLC (AES) has scheduled the groundwater monitor well development and sampling events at the above referenced site. Monitor well development activities will take place on Wednesday, October 23, 2013, and will include the development of five monitor wells (MW-1 through MW-5). The sampling event is scheduled for Tuesday, October 29, 2013, and will include the monitoring and sampling of the monitor wells (MW-1 through MW-5). A final report will be submitted upon receipt of laboratory analytical results.

If you have any questions regarding the scheduled site work, please do not hesitate to contact me at (505) 564-2281.

Sincerely,

Heather M. Woods, P.G.

**RE: Project Notification for Groundwater Monitoring and Sampling
Enterprise Field Services, LLC
Lateral K-7 September 2012 Pipeline Release
NE¼ NW¼, Section 27, T26N, R7W
Rio Arriba County, New Mexico**

Dear Mr. von Gonten:

This letter serves as project notification that Animas Environmental Services, LLC (AES) has scheduled the groundwater sampling event at the above referenced site. The monitor well sampling activities have been scheduled for November 20, 2013, and will include monitoring and sampling of five monitor wells (MW-1 through MW-5) at the site in accordance with the workplan prepared by AES and dated July 23, 2013.

If you have any questions regarding the scheduled site work, please do not hesitate to contact me at (505) 564-2281.

Sincerely,
