Re: **3RP #** **Site Name**
 1031 **Trunk K #8**

Dear Mr. Fields

I have reviewed the files on the release referenced above including your Supplemental Environmental Site Investigation Work Plan in your 17Jul17 letter.

You propose four more monitoring wells and BTEX sampling with results in your next Annual Groundwater Monitoring Report.

OCD approves this work plan. Please advise our District III environmental staff of notice at least 72 hours prior to sampling.

Respectfully,

P.E., Hydrologist, District III
