Approval of 2018 Work Plan, received 5 April 2018

OCD has received your work plan describing annual groundwater monitoring, injection of emulsified vegetable oil and monthly monitoring to assess the effectiveness of in-situ enhanced anaerobic biodegradation of chlorinated hydrocarbons.

OCD approves this work plan with the condition that GHD notify OCD of injection and sampling events. Please provide at least 48 hours notice in advance of those events. Please contact District IV Supervisor Will Jones.

Randolph Bayliss, P.E.
District IV Hydrologist
