Ref 3RP-258 Former Bloomfield Crude Station
Your Request for Closure hand delivered 10Aug18
Your monitoring well test results from sampling November 2017 and May 2018

OCD has reviewed your request for closure and laboratory reports for recent sampling, referenced above.

After our discussion, this morning with Jim Griswold, we request Western continue quarterly monitoring of ground water elevations and the thickness of NAPL in MW-2 through MW-7.

Respectfully,

Randolph Bayliss, P.E.
Hydrologist
