**RE: Notification to Conduct Soil and Groundwater Sampling
Central OCD Landfarm and Land Treatment Unit
Marathon Petroleum Company LP, Gallup Refinery
EPA ID # NMD000333211**

Dear Mr. Kieling and Mr. Chavez:

Marathon Petroleum Company LP (Marathon) is scheduled to conduct soil and groundwater sampling starting the week of December 10, 2018 at the Gallup Refinery. Semiannual soil sampling will be conducted at Central OCD Landfarm. Soil samples will be collected from the "Vadose Zone" and the "Treatment Zone".

In accordance with Attachment D of Marathon's permit, soil sampling will be conducted at each of the three cells that comprise the Land Treatment Unit. Two locations will be sampled from each cell. The soils sampled will be representative of the "Zone of Incorporation" and "Treatment Zone". In addition, the groundwater from monitor wells SMW-4, MW-1, MW-2, MW-4, and MW-5 will be sampled and analyzed. The sampling will be conducted in accordance with Section D.3 – DETECTION MONITORING of Attachment D of Marathon's permit.

If you have any questions, please contact Mr. Brian Moore (505) 726-9745.

Sincerely,

A handwritten signature in black ink, appearing to read 'John Moore', with a long horizontal line extending to the right.

John Moore, P.E.
Environmental Superintendent
