Mr. Hall,

The OCD has received your closure report and final C-141 for 1RP-5704 Mesa #8105 30 & 31 Tank Battery Release. This closure is approved.
Please let me know if you have any questions.

Thank you,

Cristina Eads

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
