---

Dear Mr. Garrison:

The New Mexico Oil Conservation Division (NM OCD) has reviewed the submitted Form C-147, dated December 18, 2019, for the proposed Riverbend 12-13 Federal Com 31H-35H Recycling Facility in Eddy County New Mexico. The Form C-147 form submitted for registering and permitting the Riverbend 12-13 Federal Com 31H-35H Recycling Facility is accepted/approved. The facility has been assigned NM OCD Administrative Order number 2RF-146 and Facility # fSL1936554871. Please reference these numbers in all future communications regarding the Riverbend 12-13 Federal Com 31H-35H Recycling Facility, including future monthly reporting of recycling and reuse of produced water, drilling fluids and liquid oil field waste. A copy of the approved C-147 form is available through the OCD Imaging system at <http://ocdimage.emnrd.state.nm.us/imaging/AEOrderFileView.aspx?appNo=pSL1936554152>.

It is understood by OCD that water reuse and recycling Riverbend 12-13 Federal Com 31H-35H Recycling Facility is limited to wells owned or operated by Cimarex Energy Co. (Cimarex) (OGRID # 215099). Notifications when operations begin or cease should be sent to me as the OCD Environmental Bureau permitting contact, with a cc to Mike Bratcher ([mike.bratcher@state.nm.us](mailto:mike.bratcher@state.nm.us)) in the OCD District 2 Office.

As a condition of approval, Cimarex agrees to construct, operate, maintain, and close the Riverbend 12-13 Fed Com 31H-35H Recycling Facility in compliance with 19.15.34 NMAC and submit monthly usage reports via Form C-148. (C-148s are available for download at the OCD website at <http://www.emnrd.state.nm.us/OCD/forms.html>).

OCD respectfully requests a schematic or drawing of the recycling facility for our records.

Please keep a copy of this electronic communication for your files, as no paper copy of the approval will be delivered. A copy of this electronic communication will be saved in 2RF-146 electronic file on OCD Imaging referenced above.

Please do not hesitate to contact me if you have further questions or concerns.

Regards,  
Susan
