RE: Permit Application for New Commercial Surface Waste Management Facility. Section 23, Township 24 South, Range 33 East NMPM, Lea County, New Mexico

Mr. Johnson,

The Oil Conservation Division (OCD) today received an application for a new surface oilfield waste management facility submitted on behalf of OWL Landfill Services, LLC by Gordon Environmental, Inc. The OCD will be posting a notice on our website of your application, the proposed new facility location, the name of your firm as applicant, information as to how the application can be viewed, along with my contact information as to being placed upon a list for future notice of the OCD's proposed decision with respect to the application. The decision to approve with or without conditions, or to disapprove the application should be rendered by OCD within the next 90 days.

If you have any questions, please feel free to contact me at (505) 476-3465 or by email at jim.griswold@state.nm.us. On behalf of the Oil Conservation Division, I wish to thank you and your staff for your continuing cooperation during this process.

Respectfully,

Jim Griswold
Environmental Bureau Chief
