Ms. Boultinghouse:

The Oil Conservation Division (OCD) hereby approves the transfer of Permit NM2-019 from ETC Field Services, LLC to ETC Texas Pipeline Ltd., Limited Partnership (ETC) pursuant to the requirements of 19.15.36.12.E NMAC.

Please be advised that approval of this request does not relieve ETC of liability should operations result in pollution of surface water, ground water or the environment. Nor does approval relieve ETC of its responsibility to comply with any other applicable governmental authority's rules and regulations.

If there are any questions regarding this matter, please do not hesitate to email me at [brad.a.jones@state.nm.us](mailto:brad.a.jones@state.nm.us).

**Transfer of Permit**

**NM2-019**

### Transfer of Permit

Pursuant to 19.15.36.12E NMAC, "Transfer of a permit. The operator shall not transfer a permit without the division's prior written approval. A request for transfer of a permit shall identify officers, directors and owners of 25 percent or greater in the transferee. Unless the director otherwise orders, public notice or hearing are not required for the transfer request's approval. If the division denies the transfer request, it shall notify the operator and the proposed transferee of the denial by certified mail, return receipt requested, and either the operator or the proposed transferee may request a hearing with 10 days after receipt of the notice. Until the division approves the transfer and the required financial assurance is in place, the division shall not release the transferor's financial assurance."
