RE: CLOSURE REPORT
TNM-55-95 SPILL SITE

Dear Mr. Savoie:

The New Mexico Oil Conservation Division (OCD) has reviewed Texas-New Mexico Pipe Line Company's (TNMPLC) August 21, 1998 "CLOSURE REPORT, TNM-55-95 (AKA CONOCO LOCKHART A-30), SECTION 3, TOWNSHIP 22 SOUTH, RANGE 36 EAST, LEA COUNTY, NEW MEXICO, JOB NO. 610090-1" which was submitted on behalf of TNMPLC by their consultant KEI. This document requests closure of remedial actions resulting from a crude oil pipeline spill at TNMPLC's TNM-55-95 spill site.

The above referenced closure request is approved. Please be advised that OCD approval does not relieve TNMPLC of liability if remaining contamination poses a future threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve TNMPLC of responsibility for compliance with any other federal, state or local laws and regulations

If you have any questions, please contact me at (505) 827-7154.

Sincerely,

William C. Olson
Hydrologist
Environmental Bureau
