Subject: Atoka #3 Compressor St. Pipeline Liquids Release

Dear Mr. Campbell:

The OCD is in receipt of the closure report dated December 11, 2006 for the above subject site and hereby approves of the closure plan.

Please be advised that approval of this plan does not relieve the owner/operator of responsibility should operations result in pollution of surface water, ground water or the environment. Nor does approval of the permit relieve the owner/operator of its responsibility to comply with any other applicable governmental authority's rules and regulations.

Re: Concrete Lined Pit Closure
Atoka No. 3 Compressor Station
Eddy County, New Mexico

Dear Mr. Campbell:

The Oil Conservation Division (OCD) has received your request, dated January 17, 1992, for approval to close the concrete lined waste pit at the Atoka No. 3 Compressor Station. Based on the information contained in your request, closure of the concrete lined pit is approved.

If you have any questions, please call me at (505) 827-5812.

Sincerely:

A handwritten signature in cursive script, reading "Roger C. Anderson".
