Subject: Request for extension of time to submit Closure Report for Wood WN.
Federal Com # 1, San Juan County, Blanco, New Mexico.

Dear Mr. Olsen,

Pursuant to our telephone conversation May 3, 1994, this is to request your approval for an extension of time to submit the closure report for the Wood Wn Federal Com No. 1 separator pit located in San Juan County near Blanco, New Mexico.

As I explained to you, our contract consulting firm has experienced some personnel changes since the closure activities were conducted on March 21, 22, and 23 of 1994. I have made contact with the consulting firm and was told that another qualified engineer will review the work files and prepare the closure report.

I would very much appreciate an extension of 60 days to submit the report. If the report is completed before July 1, 1994 (60 days after due date of May 1st) I will immediately submit it to you.

Thank you for your attention to this matter. If you have any questions or require additional information, please call me at 713-584-3192.

Sincerely,

Mario G. Ramon
