Attention: Mr. G. H. Fisher

Gentlemen:

Reference is made to your application for a 320-acre non-standard gas proration unit in the Eumont Gas Pool consisting of the NW/4 and NE/4 of Section 14, Township 19 South, Range 36 East, NMPM, Lea County, New Mexico. This acreage was to have been assigned to your Lea-State "DA" Well No. 1, located 1980' from the North line and 660' from the East line of Section 14.

Information available at this office indicates that this well is now an oil well. Therefore this office is unable to grant your request for a non-standard gas proration unit.

If you have any information which we have not considered or if you should desire a hearing on this matter, please notify the Commission at your earliest convenience.

Very truly yours,

W. B. Macey  
Secretary - Director
